

**Georgia Jets Flying Club**  
**Designated Turbine Signoff Club Members**

AMA Turbine waivers are required for the operation of turbine-powered aircraft at the Club's flying site. Turbine-powered aircraft shall be operated in accordance with AMA document 513. All new members who also hold a turbine waiver shall, in addition to the new member indoctrination course, successfully complete five turbine flights under the supervision of a Designated Turbine Signoff Club Member prior to unsupervised turbine operation at the Club field.

The Designated Turbine Signoff Club Members are listed below:

Gordon Dickens  
Tim Fielden  
Rick Fusco  
Craig Gottschang  
Paul McCaulley  
James Moody  
Mike Pascoe  
Joe Rafalowski

This list will be updated periodically as appropriate.
